Report Date	{{report_date}}
Language	{{language}}

1. Executive Summary

Product Identified	{{product_name}}	Identified
Recommended HS Code	{{recommended_hs_code}}	{{classification_status}}
Classification	{{classification_status}}	{{classification_status}}
Export Requirements	{{export_requirements_status}}	{{export_requirements_status}}
Benefit Information	{{benefit_status}}	{{benefit_status}}
Documentation	{{documentation_status}}	{{documentation_status}}
Professional Verification	{{verification_status}}	{{verification_status}}

2. Product Identification

Product Name	{{product_name}}
Product Description	{{product_description}}
Materials	{{materials}}
Primary Function	{{primary_function}}
Intended Use	{{intended_use}}
KEY CHARACTERISTICS {{key_characteristics}}	
DATA PROVENANCE	
Supplied by User	{{supplied_by_user}}
Inferred by AI	{{inferred_by_ai}}

3. HS Code Recommendation

AI-ASSISTED HS CODE RECOMMENDATION

HS {{recommended_hs_code}}

{{hs_description}}

{{classification_status}}

Classification Reasoning

{{classification_reasoning}}

Supporting Product Characteristics

{{supporting_characteristics}}

Alternative Classification

{{alternative_classification}}

■ This is an AI-assisted HS code recommendation and is not an official customs classification or ruling.

Data source: Ports.biz HS4 classification engine — matched against OEC/CEPII BACI trade dataset (HS 2022). This is an AI-assisted recommendation, not an official customs classification.

4. Classification Verification

The following areas should be verified with a customs broker or relevant authority before using this classification for customs purposes.

{{#each verification_items}}

{{verification_item}}

Why: {{verification_reason}}

Provide: {{verification_information}}

{{/each}}

If no specific issues: "No additional classification issues were identified from the information provided. Professional verification may still be appropriate before customs use."

■ Ports.biz has not performed official verification. This section identifies areas that require confirmation by a qualified professional.

5. Export Requirements

Requirements shown are general Indian exporter obligations. Product-specific and destination-specific import requirements should be verified with a customs broker familiar with the destination market.

{{#each export_requirements}}

{{requirement}}
{{requirement_status}}

{{requirement_details}}

Source: {{requirement_source}} | Effective: {{requirement_effective_date}}

{{/each}}

If reliable information is unavailable: "Current product-specific export requirements could not be verified from the available data."

6. RoDTEP & FTP Benefits

RoDTEP

Status	{{rodtep_status}}
Rate	{{rodtep_rate}}
Value Cap	{{rodtep_value_cap}}
Source	{{rodtep_source}}
Effective Date	{{rodtep_effective_date}}

FTP / Other Benefits

Information	{{ftp_information}}
Source	{{ftp_source}}

■ Benefit eligibility and applicable rates require verification against current government notifications and applicable conditions. Ports.biz does not currently have access to authoritative, real-time RoDTEP/FTP rate schedules.

7. Documentation Checklist

A. COMMON EXPORT DOCUMENTS

- Commercial Invoice (with ITC-HS code, FOB/CIF value, AD code, GST LUT statement)
- Packing List (carton marks, net/gross weight, itemised contents)
- Shipping Bill (ICEGATE electronic filing)
- Bill of Lading (ocean) / Air Waybill (air freight)

B. PRODUCT / DESTINATION-SPECIFIC DOCUMENTS

{{#each product_specific_documents}}

{{document_name}}
—
{{document_reason}}

{{/each}}

■ This checklist is guidance and may not represent every document required for a specific shipment.

8. Professional Verification

The following areas require review by a customs broker, customs authority, or qualified trade professional before acting on this report.

{{#each professional_verification}}

{{professional_verification_item}}
Why: {{professional_verification_reason}}
Provide: {{professional_verification_information}}

{{/each}}

■ Ports.biz is not a customs broker or licensed CHA. This report is AI-assisted export intelligence and does not replace professional verification.

9. Recommended Next Steps

{{#each next_steps}}

■ {{next_step}}

{{/each}}

Only relevant next steps are shown based on the analysis results.
